CINE LATINO

A CELEBRATION OF NEW LATIN AMERICAN AND IBERO CINEMA

**Happy 10th Anniversary Cine Latino!
Let's Blow the Roof Off!**

The 10th annual Cine Latino Film Festival returns October 13-20, 2022, presenting films, conversations, and events in-person at MSP Film at the Main Cinema.

This year, we are excited to showcase Central American heritage, impact and contributions to film history, communities and cultures through cinema.

Cine Latino is the region's only showcase of new cinema by artists from Latin American and Iberian communities and regions, with vast cultural, linguistic, social and historical wealth.

Cine Latino annually features premiere screenings, retrospectives of work by established artists, visiting guests and artists, conversations with filmmakers and talent from around the globe.

Cine Latino is presented by the MSP Film Society, a dynamic 501(c)(3) non-profit dedicated to fostering a knowledgeable and vibrant appreciation of the art of film and its power to inform and transform individuals and communities.

All sponsorships are tax-deductible to the extent allowed by law.

MSP Film Society is operating all five screens at MSP Film at the Main Cinema and has grown into the Upper Midwest's leading nonprofit exhibitor of bold and exciting films by established and emerging filmmakers from around the globe and here at home.
